Admission Requirements

The university affirmatively strives to provide educational opportunities and access to students with varied backgrounds, those with special talents and adult students who graduated from high school three or more years ago.

Kent State campuses at Ashtabula, East Liverpool, Geauga, Salem, Stark, Trumbull and Tuscarawas, and the Twinsburg Academic Center, have open enrollment admission for students who hold a high school diploma, GED or equivalent.

Some programs may require that students meet certain requirements before progressing through the program. For programs with progression requirements, the information is shown on the Coursework tab.

For more information on admissions, contact the Regional Campuses admissions offices.

Total Credit Hours:	36-37

Full Description

The Associate of Science degree is a generalist program that serves many purposes. The degree serves students who want a broad education by sampling a variety of different subject areas, who are planning to complete a bachelor's degree program, or who want to advance their careers by holding a degree. Because of the general nature of the program, students may specialize in a particular field of study that will meet their specific educational needs.
