

# TEXTILES - MINOR

College of the Arts  
 School of Art  
 www.kent.edu/art

## About This Program

The Textiles minor offers an expansive approach to textile-making through the exploration of a broad range of materials and processes. Students develop technical virtuosity in tandem with their artistic voice. The curriculum integrates studio activity with the study of the social and political histories of the discipline to grow a holistic approach to textile practice. Programmatic flexibility encourages a course of study that supports individual interest and expression.
